ANTI-BULLYING REVIEW

Dear Parent/Carer,

Over many years, we have regularly surveyed pupils and parents on various aspects of the school. The effective control of bullying was always rated extremely highly. However, in 2018 our pupils completed a School Health Research Network survey. Despite most pupils feeling very happy in school, a few pupils felt that some aspects of our anti-bullying policies and procedures could be refined to improve their effectiveness.

Throughout the summer and autumn term, we have engaged with pupils to better understand how these issues affect them. All pupils have completed a survey and we are now at a stage where we would like to gain more information from parents/carers.

I would appreciate if you could complete the parent survey from the link in your text message. Following the survey, we will be inviting a focus group of parents/carers in to the school to explore some of the issues in more detail.

Thank you in advance for your ongoing support.

Yours sincerely,

Mr. C. L. Hitchings
